## Conference Organiser Funding ~ Application Form ~

### What you need to know before applying

The Conference Organiser Funding is designed to help graduate students who want to organise a conference in their discipline to bring together graduate students to share their work.

All applications must be made by a minimum of two graduate students working as part of a student committee to organise the event. Events require Departmental staff support to be approved.

Please apply for funding at least one month prior to your event and we will respond to your application within 5 working days. To apply, fill out all the information requested and email your completed form to [mga-gradgroups@monash.edu](mailto:mga-gradgroups@monash.edu)

*Not organising a conference? the MGA also provides funding for graduate students organising a seminar, as well as group funding for social events. See our website for more information: [mga.monash.edu](http://mga.monash.edu)*
